Thanks & Appreciation

In the spirit of the holiday season, we would like to extend our appreciation for all the parents and volunteers that help make our school successful. There are many parents that devote their time to assisting classrooms, helping in special activities, and donating supplies for projects. It does not go unnoticed and the entire staff at Hughes is thankful.

The staff at Hughes also wants to recognize the tireless work of our Parent Council. They are the organization behind events like Popcorn Fridays, the Holiday Gift Shop, and the Lego Club just to name a few. The money the Council raises supports our students throughout the year.

In 2018, we will work each day to increase the academic growth we have made at Hughes, support our students' social and emotional needs, and successfully tackle our new challenges thanks to our hard working students, parents, staff, and community partners.

Remember, we are a TEAM, and each day we strive to get better.

Holiday Concert

The Marshall High School music department will be performing a holiday show for all the elementary schools on the morning of December 19th. The concert will be at the Marshall High School Auditorium for Performing Arts. The show features band, orchestra, and choral music. It should be very festive!

Holiday Food Drive

We appreciate all those families that contributed to the Holiday Food Drive that benefited Marshall Area Community Services (MACS). We did outstanding with the amount of food we received and donated! (See the post on Facebook) Congratulations to Mrs. Brownell's and Mrs. McHugh's for winning the classroom(s) competition.

Locker Clean Out

Please remind your child(ren) to take home all the clothing that may be currently taking up space in their locker. Winter Break is a good time to get that home and washed. Also, you may find clothes that haven't been seen in a while.
