## **GENERAL INFORMATION**

**This handbook contains Marshall High School’s rules and regulations. Each student will receive a copy and is responsible for its entire contents. Failure to read this handbook is an unacceptable reason for not following the rules. If you have any questions, please discuss them with the principal, assistant principal, a teacher, parent, or counselor.**

**The building administration has been given the authority by the Superintendent and Board of Education to make decisions on all items not covered in the handbook and to enforce appropriate consequences when deemed necessary by the building administration.**

**COMPUTER INTERNET/WEBPAGE INFORMATION** Permission forms for those students who wish to use the Marshall Public Schools computer network to access the Internet will be available at registration. A usage agreement will accompany the permission form. This agreement must be read and accepted before the permission form is signed by a parent or guardian and returned to the high school office. Only students who have a signed agreement form on file will be allowed to use the Internet at school. In addition, as the Marshall Public Schools' web page develops, staff members may desire to publish students' artwork or writing samples or to post photos showing groups of students involved in a class project or extra-curricular activity. In order to place a student's work or photo on the web page, a parent or guardian must sign a form granting permission to do so. This permission form will be available at registration.

**CONFLICTS IN ACTIVITIES** Students have a responsibility to do everything they can to avoid continuous conflicts. This includes being cautious about belonging to too many activities where due pro conflicts are bound to occur. It also means notifying the faculty sponsors involved immediately when a conflict does arise.

Faculty sponsors should schedule events on the Community Calendar (kept both in the central administration office and the building principal's office) to avoid conflicts. **When conflicts do arise, the sponsors should get together and work out a solution so that the student is not placed in the middle.** If a solution cannot be found, the principal will make the decision based on the following:

- The relative importance of each event.
- The importance of each event to the student.
- The relative contribution the student can make to each event.
- How long each event has been scheduled.
- Discussion of the conflict with the parents or legal guardian.

Once the decision has been made and the student has followed that decision, he or she is not to be penalized in any way by the faculty sponsor. If it becomes obvious that the student cannot fulfill his/her obligation to a school activity, he/she should withdraw from that activity.

**DIRECTORY INFORMATION** Each fall the schools compile directory information on the students. This includes such things as name, age, grade, date of birth, place of birth and address. This information is used for such things as athletic eligibility, job application and college entrance. All items to be used in the directory information are read at a public Board of Education meeting. The policy of the Board of Education as it relates to directory information on students is as follows: No employee of the school may furnish lists of names and addresses of pupils to anyone other than school officials. The superintendent of schools may authorize the release of the list of names of the senior class to local schools and colleges, to military authorities, and other appropriate persons or agencies. If a parent objects to this information being released, an opt out form can be secured from the principal's office. Opt out requests must be made annually by September 30.

**EQUALITY** Applicants for admission and/or employment, students, parents, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the Marshall Public Schools are hereby notified that this institution does not discriminate on the basis of race, color, age, national origin, sex, religion, or handicap in admissions or access to treatment or employment in its programs and activities. Any person having inquiries concerning the Marshall Public Schools compliance with the regulations implementing Title VI, Title IX or Section 504 is directed to contact:

Dr. Randall Davis/Mrs. Becky Jones  
100 East Green Street, Marshall, MI 49068  
(269) 781-1250 Ext. 1106

who have been designated by the Marshall Public Schools to coordinate the district's efforts to comply with the regulations implementing Title VI, Title IX and Section 504.

In compliance with the non-discrimination regulations of the Vocational Education Division of the Michigan Department of Education, notice is hereby given that Marshall Public Schools, Calhoun County, Michigan does not discriminate on the basis of race, color, religion, national origin or ancestry, sex, marital status, or handicap in offering vocational education and applied technology opportunities to students of the school district. For more information, contact the Office of the Superintendent.

**EXTRA CURRICULAR ACTIVITIES** Marshall High School provides extensive extracurricular activities in the belief that these activities increase students' interest and pride in their school and aid in the development of personality and character as well as the ability to get along with peers. Disciplinary action resulting in suspension from school will affect extracurricular activities for the same period of time. This includes practice and contests in athletics, debate and forensics, band, orchestra, vocal music, and/or any other school club or school-sponsored activity. Students suspended/expelled from school may not attend or participate in any school district activity on campus or away from campus.

**SCHOOL SPONSORED CLUBS AND ACTIVITIES** The following is a list of school sponsored clubs and activities that may run during the year as determined by student interest. Any student wishing to form their own club must meet with the Assistant Principal for further information.

National Honors Society, Student Council, Close Up, Spanish Club, French Club, Business Club, Redhawk Players, M Club, FFA, Debate, Forensics, SADD, Yearbook, Newspaper, Knowledge Master Open, Robotics, Yakers and Ski Club

**FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT** In compliance with the Family Educational Rights and Privacy Act, parents of students in the Marshall Public Schools are hereby notified of the following rights. No Child Left Behind requires charter schools, academies, and public school districts to transfer the disciplinary records of any student with respect to suspensions and expulsions, to any private or public school to which that student is enrolling.

As a parent you may:

- Upon request, inspect and review your student's educational records.
- Challenge any of said records.
- Obtain, at reasonable cost, copies of said records.

If you desire additional information, contact the High School Principal's Office.

**FIRE DISASTER AND LOCK DOWN DRILLS** State law requires that fire, disaster, and lock down drills be held for your protection. Each classroom has a posted route to be followed for fire drills and information about the portion of the building to be used as a shelter area for disaster and lock down drills. Familiarize yourself with the routes and areas to be used by your classrooms. It is imperative that there be silence during these drills so that any necessary changes in routing, building evacuation, or shelter areas can be clearly heard by the students and staff.

**SEVERE WEATHER** The following procedures will be implemented whenever the school receives notification from the sheriff's department of possible severe weather:

**TORNADO WATCH**

- Buildings are notified of a possible storm.
- Parents or legal guardians may pick up their student or students if they so desire. The parent or guardian must notify the principal's office or the assistant principal's office and meet their student or students there.

**TORNADO WARNING**

- Students will go immediately to their designated shelter areas. Attendance will be taken.

- Students will remain in the shelter area until the warning ends.
- Parents or legal guardians may pick up students, but the students must be signed out before leaving the shelter area.

**TORNADO STRIKE/EXPLOSION/GAS**

- Students will assemble in undamaged areas or outside the building. Roll will be taken immediately.
- Responsible adults will keep a list of persons going into emergency vehicles.
- Parents or guardians may take students only after clearing with the person in charge.

**FREEDOM OF SPEECH AND ASSEMBLY** Freedom of speech and assembly is a constitutional guarantee, but this guarantee must not infringe on the rights of others.

- Students are entitled to express verbally their personal opinions. Such verbal opinions shall not interfere with the freedom of others to express themselves.
- The use of obscenities or personal attacks is prohibited.
- All student meetings in school buildings or on school grounds may function only as part of the formal education process or as authorized by the principal.
- Students shall have the freedom to assemble peacefully. There is an appropriate time and place for the expression of opinions and beliefs. Conducting demonstrations which are deemed inappropriate is prohibited.

**FREEDOM TO PUBLISH** Freedom to publish is guaranteed only when it is responsible and does not interfere with the rights of others.

- Students are entitled to express in writing their personal opinions. Such written opinion must be signed by the author. The distribution of such material may not interfere with or disrupt the educational process.
- Students who edit, publish, or distribute handwritten, printed or duplicated matter among their fellow students within the school must assume responsibility for the content of such publications.
- Libel, obscenity and personal attacks are prohibited in all publications.
- The distribution of unlawful or unauthorized material by students in school buildings or on school grounds is prohibited.

**INFORMATION – WHOM SHALL I CALL?** Please do not hesitate to contact the school if you have a question or concern. It is our feeling that any question you have is important. We continually work to improve the communication between parents and Marshall High School staff. Another way we have tried to better communications is by having our own web page. **LOCKERS** Lockers are assigned for the student's convenience. Students are to use their assigned lockers. Students are responsible for the maintenance of any locker assigned to them, including gym lockers. Cost of repair to lockers due to student negligence will be borne by the student. It is the students' responsibility to make sure all their belongings are securely locked in their lockers. Students are cautioned not to bring large amounts of money, Ipods, cell phones, cameras, or any other item they would not like to lose to school. If students wear jewelry, glasses, or watches, they are to keep track of them at all times. *Students*, not the school, are responsible for their property. Should this type of property be lost or stolen, school personnel will not become involved in getting the property back.

**MEDICINES AND PRESCRIBED DRUGS** The administration of medication by school personnel shall be authorized and performed only in exceptional circumstances which render the administration of the medication by the parent at home impossible or extremely difficult. Medication will be administered only by school personnel who are specifically authorized to do so by the building principal or his/her designated representative. This authorization shall be issued only in compliance with the following conditions:

- Medication must be brought in by a parent/guardian in a clearly marked container prepared by a pharmacist, doctor, or pharmaceutical company.
- The Medication Administration Authorization form (which can be obtained in the Attendance Office) must be signed by the student's parent or guardian. All prescription medications, over the counter medications, treatments and limited activity orders must have written instructions signed by the student's physician as well as the parent and must include:
  1. The child's name
  2. The name of the medication
  3. The purpose of the medication
  4. The time to be administered
  5. The dosage
  6. The possible side effects
  7. The termination date for administering the medication
- The office of the assistant principal or other designated school district employee will:
  1. Inform appropriate school personnel of the medication
  2. Keep a record of the administration of the medication
  3. Keep the medication in a locked cabinet
  4. Return unused medication to the parent/guardian only.
  5. The parent or guardian of the child assumes the responsibility to notify the building principal or his/her designated representative of any change in the child's health or change in the medication. A record shall be maintained which indicates the time/date of medication, the amount of medication given and adult witness present. This form shall be signed by the adult in charge.

**MOTOR VEHICLE REGISTRATION** Students who lack sufficient credit to graduate on schedule (i.e. 18 credits after three (3) years or 11 credits after two (2) years) may be denied driving privileges.

Students who are using a vehicle as a means of transportation to and from school will assume full responsibility for that vehicle any time it is parked or driven on school property.

Students should note that vehicle violations will be determined by administrators, teachers and/or other hired school personnel, as well as the city police.

Students should be aware that a Marshall City Ordinance covers traffic violations on school property. This ordinance will be used to enforce penalties for traffic violations occurring on school property.

- All vehicles must be registered in the attendance office. The current license plate registration must be shown for correct identification at registration.
- When new license plates are received, the registration must be updated.
- Parking permits will be issued at a cost of \$5.00 per permit and must be displayed on the passenger side of the front windshield of the car. Stickers are needed for easy identification of cars and drivers. Should a student who does not have a sticker find it necessary to drive to school on a temporary basis, the student should get a temporary permit from the attendance office. Students driving unregistered cars are subject to having their cars ticketed or removed at the driver's expense.
- Vehicles, while parked on school property, shall be locked at all times. The registrant shall be responsible for violations of school policy that take place in the vehicle.
- Students will park only in the Marshall Avenue parking lot.
- Parking along the yellow-lined driveway around the school is forbidden. The driveways are fire lanes and must be kept clear at all times.
- Vehicles will be parked only in designated spaces, so that only one space is occupied. Driving lanes must be kept open.
- The maximum speed for any vehicle operated on school property is twenty (20) miles per hour.
- Speeding and reckless driving are serious violations and will be evaluated by the principal or a police officer.
- **Parking violations may result in the vehicle being removed from school property, with the vehicle registrant incurring all costs.**
- **Parking violations may result in ticketing by the Marshall Police Department.**
- Violations of driving and parking regulations will result in suspension of driving privileges. The length of suspension will be determined by the administration.
- By law, the school does not cover insurance that covers damage to cars parked at school.
- The parking lot is "off limits" to students, except during the time they are parking in the morning and leaving in the afternoon.  
STUDENTS FOUND LOITERING IN THE PARKING AREA ARE SUBJECT TO DISCIPLINARY ACTION unless a pass is given from the office to go to the student's vehicle.
- There will be no parking in the handicap zones without a permit from the Marshall City Hall or a state agency. Failure to have the proper permit will result in a \$50.00 fine over which the high school and its authorities have no control.
- Students caught littering in the parking area will lose parking privileges.

**PARENT TEACHER CONFERENCES** To hold classroom interruptions to a minimum and prevent incidents of a disruptive nature, no non-school person will be allowed to go to a classroom unless accompanied by an adult employee.

- Every effort will be made to arrange meetings with classroom teachers when they are available. If it is necessary to meet with an instructor during class time, arrangements will be made to cover the instructor's class.
- Insofar as possible, any conference between a parent or guardian and an instructor that is at the parent's request will be conducted in the presence of a third party, counselor, administrator, department head or

other staff member. No instructor will allow a discussion with a parent or guardian to take place in the classroom while class is in session.

- There will be scheduled conferences for parents after the first marking period of each semester.

**PARENTAL RIGHTS/ACADEMIC RIGHTS OF 18 YEAR OLDS:** It is assumed that both parents have the right to be involved in their child's education and to receive student and school-related information. If parents do not reside together, it is important that yearly enrollment information list both parents' addresses and phone numbers to ensure on-going communication regarding their child. It is the assumption of Marshall Public Schools that both parents have custody rights **unless** current written documentation that prohibits or restricts rights is given to the building administrator.

Reaching the age of majority (18 years or older): Student records can only be accessed by the student unless a waiver has been signed in the guidance office by the student to allow their parent/guardian to access their records.

If you have a concern about a student's report of a classroom situation, please contact the teacher FIRST to clarify the question or concern. (If you leave a message with the office secretaries the teacher will contact you during his/her planning period, after school, or within 48 hours).

**PARENT INVOLVEMENT** Marshall High School acknowledges that research, and practical experience indicates parent involvement benefits students and schools. Student benefits include improved grades; better attendance, and positive attitudes toward school; and fewer disciplinary actions. Parents can become more involved by attending parent teacher conferences, sporting events, drama productions, and music/band concerts; as well as volunteering their time to help tutor students, organize events/activities, or participate on district or building committees. For more information contact the building principal.

### **PASSES**

**HALL PASSES** Student must have a hall pass to be in the hall during class time. Travel from one classroom to another, to the bathroom, to get a drink, to the office, or other destination in the building requires a written hall pass from the faculty or staff initiating the travel. Students may be questioned by school personnel and returned to class if they do not have a proper hall pass. Students discovered in the hall without a proper pass may be subject to disciplinary action.

**ORANGE PASSES** The orange pass is used exclusively for prearranged travel (the pass must be signed in advance by the teacher who has assigned the work or whom the student is going to see) during seminar. The orange pass is used for academic enhancement activities including additional help from a teacher, obtaining assignments or making up tests/quizzes due to excused absences, working on labs or assigned class projects, using the library or computer lab for an assigned task. Students are to return to their seminar teacher before they leave for their next class.

### **YELLOW PASSES**

- No student will leave school during the regular school day without a yellow pass. Any student found leaving without a yellow pass will receive an unexcused absence for the hours missed and may receive a suspension.
- All students obtaining yellow passes will either have a note from their parents or guardians or will call a parent or guardian from the attendance office.
- The yellow pass must be shown to the teacher from whose class the student is leaving.
- On returning to school, the student must return the pass to the attendance office.
- No yellow passes will be issued during seminar unless for a documented absence.

**RELEASING STUDENTS** Students may only be released from school to those adults listed on the enrollment cards unless the school is notified by the parent allowing another adult to pick up a student.

### **RIGHTS AND RESPONSIBILITIES OF STUDENTS**

Marshall Public Schools recognize the following:

*Right* - The most important right that students have is the right to a free public education.

*Responsibility* - Students have the responsibility to come to school regularly, to be on time and be prepared to learn.

*Right* - Students have the right to be safe at school.

*Responsibility* - Students have the responsibility not to act in a way, which threatens, scares, or injures others.

*Right* - Students have the right to a clean building.

*Responsibility* - Students have the responsibility not to litter or deface school property.

*Right* - Students have the right to get help from a counselor, teacher, or administrator.

*Responsibility* - Students have the responsibility to respect each other and staff members.

**SCHOOL CLOSING INFORMATION** MPS uses the Honeywell Instant Alert automated messaging system to notify parents and guardians in the event of school closings, early dismissals and any other important school related information. It is vital that parents/guardians keep contact information up-to-date with their school buildings. For school closing information due to inclement weather, please listen to one of the following radio stations: WNNW FM 98.5, WKFT FM103, or WBCN AM 930 or watch Channel 3, 8, or 41. Generally, school closing information is announced after 6am.

**SPIRIT ROCK** The MHS Spirit rock is intended to be a spot for students to express their school spirit or acknowledge an upcoming event. Over the years it has been used to wish student athlete's luck, promote events such as homecoming and band camp, and to honor students for special achievements. Students wishing to paint the rock must fill out a permission form and return it to the Main Office. Any paint on rock without permission will be painted over.

**USE OF THE PHONE** Students are asked not to use the phones in the offices unless it is an emergency and permission has been obtained.

**VACATIONS** Family vacations taken during the school year are discouraged. The high school principal retains the right to deny vacation time if the student in question is doing failing work in any class. Parents or guardians wishing to remove their children from school for a family vacation must comply with the following procedures:

- Notify the high school attendance secretary, in writing, of the family vacation plans including a departure and return date. This must be done two weeks prior to the date of departure unless there is an emergency involved.
- Students must consult with their teachers regarding assignments prior to the vacation. This should be done before or after school or during the student's seminar period – not during the regular class period.
- The parents are asked to realize it is not the responsibility of the teacher to tutor the child with regard to the work missed upon his/her return to school.

Following the vacation, the teacher should be contacted by a parent or guardian so that the parent knows exactly what the circumstances are with regard to whether or not the student has completed all of the work missed

**PAY TO PARTICIPATE** Marshall Public Schools has a pay to participate fee of \$50 per sport for all high school athletics and certain extracurricular activities. A \$200 family maximum will be applied between middle school and high school athletics.

**TRAINING RULES** The following rules apply to all students participating in athletics at Marshall High School. It is expected that these rules will be followed during the entire year (12 months).

1. The coaches of the individual sports prescribe regular hours, conduct, practice and game attendance.  
PENALTY: Penalties for violations of the above will be governed by the in-season coaches.
2. The use, sale or possession of alcohol, tobacco, vape products, controlled substances, look-alikes, and uncontrolled substances used or sold as controlled substances are prohibited.

FIRST OFFENSE: Athletes who have failed to act in accordance with rule #2 will be subject to a penalty of dismissal from the squad for a period of 50% of the season if the violation occurs in or out of season. Fifty percent of the season is defined as half of the scheduled contests and can be carried to next sport of competition. (In the event the violation occurs at the end of a season the student may try-out for a team but will still have to serve the remaining portion of the suspension.) The student-athlete *could* lose the opportunity to earn his or her varsity credit/letter.

SECOND OFFENSE: Athletes who have failed to act in accordance with Rule #2 for a second offense, during one calendar year from their first offense, will be subject to a minimum penalty of dismissal (for the remainder of the current season) and the equivalent of our entire season, during their next season of competition.

THIRD AND FOURTH OFFENSE: Athletes who fail to act in accordance with Rule #2 and commit a third violation during one calendar year from their 1<sup>st</sup> offense will not compete in MHS athletics for one entire school year. If a 4<sup>th</sup> violation occurs anytime during the athletes' suspension they will no longer be allowed to compete in the Marshall athletic program.

### **ACADEMIC ELIGIBILITY**

- Students who have not received credit for a minimum of four (4) classes and a seminar the previous semester may not participate in interscholastic athletics.
- Any student participating in athletics at Marshall High School may not be failing more than one class during the course of a semester.
- Eligibility forms are issued to all teachers (including CACC) every two weeks by the athletic office. Teachers will report the athlete's present grade accumulated from the beginning of the semester.
- If the athlete is failing more than one class, he/she is automatically ineligible until he/she has achieved a cumulative passing grade.

### **DAILY ATHLETIC ATTENDANCE POLICY**

Athletes must be present in all afternoon classes in order to participate in either a practice or an interscholastic contest. The only exceptions to this rule are doctor's appointments, school-sponsored activities, or permission from the athletic director.

**ATHLETIC PUNCH PASSES** Athletic Punch Passes are available for purchase in the high school athletic office and at all home high school athletic admission gates. Punch passes provide students and adults a substantial savings from regular admission prices.

**ATHLETIC PARTICIPATION** Before any athlete may participate in either a practice or an interscholastic event, the following items must be on file in the athletic director's office:

- Current physical card – The card must be completely filled out after April 15 of the previous school year.
- Insurance form or waiver
- Emergency Information Sheet

**Students on out-of-school suspension are ineligible to participate and attend extracurricular activities during suspension.**

**If out of school suspension days straddle a weekend, vacation days, or snow days, students are ineligible to attend or participate in any extracurricular activities or events during those days off.**

### **LOCKER ROOM THEFT**

Any athlete stealing another athlete's personal items out of the locker rooms (either Marshall's or opponents) will be subject to the following discipline:

## **COURSE/CLASS INFORMATION**

### **ADVANCED PLACEMENT PROGRAM**

Advanced placement courses offer students the opportunity to accomplish college-level programs while still in high school. These courses are available to qualified, motivated, academically oriented students who have successfully completed prerequisites in a particular area of study. Upon completion of the advanced placement course, students may take a nationally administered examination in May. (According to their performance on the examination, they may receive up to twelve (12) college credit hours for each passed examination.) This may enable a student who is successful in the course(s) and on the examination(s) to enter college at or near the sophomore level

**BOOK FEES** There is a \$20.00 book deposit required of all students. This must be paid before books will be issued to the student. This fee is waived for students who receive free or reduced lunch prices. Book fees will be returned at the time the student exits Marshall High School if there are no fines.

**INDUSTRIAL ARTS MATERIALS FEES** As a convenience to students the school will make available for purchase, materials to be used in student selected projects. It is the student’s responsibility to pay for these materials before starting the project.

**CREDIT CHANGE** Any student who wishes to have a correction made in the grade or credit received in a course must do so before the end of the fourth (4<sup>th</sup>) week of the following semester. No student requests will be accepted after that time. Students must see his/her teacher to make any changes.

### **FINAL EXAM POLICY**

- All 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> grade students will take a final exam in each class.
- Students who miss a final exam due to an excused absence will be expected to contact the teacher about scheduling time to make up the exam and will be allowed one (1) day for each day missed.

All second semester seniors may waive the final semester exam in any class in which they have at least a “B” average prior to grade-weighting, no more than two (2) absences second semester, and no in or out of school suspensions during their senior year. To meet this requirement, absences due to school sponsored activities (field trips, athletics, job shadowing, etc.) will not count against the student.

**Grade Point Averages will start accumulating once a student enters the ninth grade.**

**HOMEWORK** Homework is encouraged when it is needed to supplement or strengthen regular class work. All students benefit from a certain amount of systematic study.

The amount of home study necessary may vary from class to class depending on the style and nature of the class. Homework is a part of the student’s grade, and the student will be held responsible for turning it in to the teacher. Each teacher will post a formal procedure on homework in the classroom

**HONORS CLASSES** Honors classes are available in the English, mathematics, and science fields. These classes are designed for highly motivated students who have displayed a strong understanding of the subject.

**PASS/FAIL** Seniors, with the approval of their parents and teacher, may request placement on a pass/fail basis for any combination of one (1) credit during the school year, limited to one (1) class per semester.

This program is designed to encourage a student's enrollment in courses in which he/she might not ordinarily enroll.

- A student must notify the teacher of his/her interest in taking a course by pass/fail during the first ten (10) days of the class. Passing is contingent upon meeting the course requirements.
- Forms for requesting pass/fail status may be obtained in the guidance office. Forms must be signed by the student's parents or legal guardian.
- A passing grade will be recorded as a "G" (credit) and a failing grade will be recorded as an "H" (no credit) on the report card and on the permanent record. No GPA points will be given for pass/fail credits.
- Required courses cannot be taken on the pass/fail system.
- Pass/Fail – Students competing to graduate in the Top 10 of their class are NOT eligible to take a course Pass/Fail.

### **PHYSICAL EDUCATION – 9<sup>th</sup> Grade**

Students are required to take a half credit of PE 9 during their freshman year. Students will participate in many sport, recreational and fitness units. Units are generally two weeks in length, which includes a swimming unit. Students MUST dress and participate daily in order to successfully meet the requirements of the course. If a student is ill or injured, a note from a parent or guardian is required to excuse the student from participation. A physician's note is required if the injury/illness is to keep the student out for more than two days. When obtaining a note from a physician please have the physician write the date on which the student can resume activity. A 9<sup>th</sup> grade student may choose to opt out of PE9 if they participate and remain eligible throughout the entire season of a MHSAA sanctioned sport or other sport approved by the superintendent.

**PREREQUISITES** Pre-requisites have been established for some courses. A prerequisite is a requirement that must be met before enrollment in an advanced course is allowed. Not only do these requirements preserve the integrity of certain courses, but they also serve as an aid to students in the process of course selection. These requirements are usually designed to discourage students from enrolling in courses where frustration and/or failure will most likely occur due to lack of background knowledge. If a course name is listed as a prerequisite, then credit must be earned for the listed course. Other kinds of prerequisites may be waived by passing a departmental test out examination. Contact your Guidance Counselor for further test out information.

**SUBSTITUTE TEACHERS** The substitute teacher who is hired on a daily basis to replace an absent classroom teacher has the same responsibilities and authority as the regular classroom teacher.

**SEMINAR** Seminar provides instructional time during which students may seek individual help, complete homework assignments, make up work including tests, have pictures taken, use the media center, attend assemblies, and participate in music department sectionals and/or other school-related activities. Seminar also allows time for the seminar teacher to become better acquainted with the students in his/her seminar and to work with them to improve academic progress and/or attendance. This is also a time when students may work on their EDP's, study, or work on community service activities.

**CREDIT RECOVERY COURSES** Students taking courses for credit recovery shall have had the course approved by their counselor and high school principal in advance of enrollment in the course. Forms and course registration information are available in the guidance department. The institution offering the credit recovery course must be approved by both its State Department of Education and its regional agency. Credit recovery courses may be used to assist in making up course deficiencies where the school feels that the study is appropriate and useful to the student concerned.

1. All courses must be approved prior to registration.
2. All course work must be completed and grades received at Marshall High School one week (7 calendar days) prior to graduation.
3. Tutoring for credit recovery courses is not the responsibility of the MHS staff.
4. All tuition, fees, and textbook costs are the responsibility of the student and his/her parents.
5. Credit will be granted after successfully completing the course.

**COURSE CHANGES** Every spring students register for the following year's classes. This pre-registration system allows the course schedule to be based upon the desires of the students.

Unless one of the following conditions applies, the student will be expected to attend the classes for which he/she has pre-registered and no class changes will be made.

- Missing class in schedule
- Course previously taken
- Summer study: student may have successfully completed the course in an approved summer program.
- Graduation requirements
- Academic placement: student placed above or below his/her academic capabilities. To be determined within the 1<sup>st</sup> semester.
- Prerequisite: student placed in a class without having completed the proper prerequisite.

**CREDIT COURSES TAKEN ABROAD** In these cases prior approval shall be requested of the principal. If there is difficulty in interpreting credits, it is recommended that the credentials received be attached to the student's transcript. If, after reviewing the transcript, it appears that additional credits will be needed for graduation, an evaluation can be made in time to avoid delaying graduation.

**CREDIT TRANSFER PROCEDURE**

1. Credit will be accepted from either public schools or non-public schools of the State of Michigan who meet the Michigan Department of Education (MDE) requirements for reporting and appear on the MDE approved listing. Credits from out of state public or non-public schools will also be accepted if they appear on an approved state listing or national listing.

2. Students who have attended a non-public school that is not on the MDE list of approved schools and does not meet the MDE requirements for reporting, or students from out of state schools that do not meet the requirements previously stated in number one must test out of the highest level previously achieved. (Example: students who wish to register for an English 11 course must test out of English 10). This testing will also be used to determine the appropriate placement of the student. Students who fail the test will be placed in an appropriate course level and grade level as determined by the administration, counseling staff and course level department chairs.

Letter grades will not be accepted for students who have attended a non-public school that is not on the MDE list of approved schools and does not meet the MDE requirements previously stated in number one. These students will receive Credit for all courses previously passed and No Credit for courses not passed. Credit/No Credit cannot be averaged into the student's GPA.

3. Students are encouraged to enroll at the beginning of a new semester when possible. All attempts will be made to enroll students in the same or similar course offerings that they were enrolled in at their previous school. Grades will be accepted for students who have attended a non-public school that is on the MDE list of approved schools and meets the MDE requirements for reporting or students from out of state schools who meet the requirements previously stated in number one. Students entering in the middle of a marking period will have their grades from the previous school averaged with the grades they achieve at Marshall High School. The average of these grades will be used to determine the semester grade. The students' GPA will be determined by averaging the students' previous grade and grades earned at Marshall High School.

4. Students transferring into Marshall from a non-public school which is not on the MDE list of approved schools and does not meet the MDE requirements for reporting or students from out of the state schools who do not meet the requirements previously stated in number one must provide Marshall Schools with proof that they have been in attendance for not less than sixty course hours per class per semester to receive .5 credit per course completed. Verified attendance records of the students will be accepted as proof of meeting this requirement.
5. Credits from a correspondence school will only be accepted if the correspondence school is either on an approved state listing or national listing. A copy of the correspondence school's curriculum, course offerings, course descriptions and grading requirements will also be required. Students who can not provide the above will not have their credits accepted by Marshall Schools.
6. Credits from a home-schooling program will only be accepted if the home-schooling program is provided through an accredited institution. A copy of the home-schooling curriculum, course offerings, course descriptions, grading requirements and an official student transcript will also be required. Students who cannot provide the above will not have their credits accepted by Marshall Public Schools. Students may utilize the testing out process as described in number two above.

**DUAL ENROLLMENT PROGRAM (ALBION, KELLOGG COMMUNITY COLLEGE, OLIVET COLLEGE.)**

- In order for any student to be eligible for dual enrollment he/she must receive a passing score on the PLAN, PSAT, or MME. See your guidance counselor and/or MCL 388.511 to 388.524 for further rules, regulations, requirements and details pertaining to a student's eligibility for dual enrollment. Marshall Public Schools is not responsible for any fees or tuition for students who enroll in unapproved course work. Students wishing to dual enroll shall have had the course pre approved by the counselor and building principal. Registration for 1<sup>st</sup> semester courses must be completed before the end of May prior to the year in which they will be taken. Registration for 2<sup>nd</sup> semester courses must be completed before the second Friday of September of the school year the course will be taken in. Students who do not withdraw within the permitted timeframe set by the institution, or fail the course will receive an "E" on their transcript and will not walk in commencement unless course fee is paid in full to Marshall Public Schools prior to commencement.

Also, if students commit to contributing monetarily towards special supplies for art, wood shop or metal shop, or who commit to go on a significant field trip, and he or she does not fulfill that commitment, he or she will *not* be allowed to participate in commencement. - A minimum of one (1) year’s attendance at Marshall High School is preferred in order to obtain a diploma. However, if an incoming senior transfer student has met the requirements and has attended less than one (1) year in our district, we will grant a diploma.
- In those cases involving only a few months of attendance in our district, we may request that the sending school grant the diploma if the student so desires. No student should be penalized for a move of this nature. As long as the requirements for graduation have been met, the diploma may be awarded by either our district or the sending school.
- Students transferring into Marshall High School must meet the following criteria to qualify for local scholarships and/or awards having a monetary value. The student must have attended Marshall High School for two (2) semesters by the time the scholarship or award is granted.
- Any incoming senior’s class rank and graduating with honors will be determined at the end of their completed 1<sup>st</sup> semester of their senior year at MHS.

**RECOMMENDED COURSE LOAD** All students are required to take six (6) classes plus one (1) seminar. If there are extenuating circumstances involving a physical, psychological or major life function that has a direct limiting effect on a student’s ability to successfully fulfill the required course load, the parent must submit a written request with appropriate documentation that the student be placed on a reduced schedule. The student’s counselor and the building principal will review the request and approve or deny it. Under this provision, the student’s schedule can only be reduced by twenty percent of the total contact time required by the State Department of Education. Requests requiring more than the twenty-percent reduction will be forwarded to the Marshall Public Schools Board of Education for their consideration

**REPEATING COURSES** With the exception of a few courses offered at Marshall High School a student may not repeat a course for credit if he/she has already taken and passed the course. See your guidance counselor for more information.

**TRANSFERRING TO ANOTHER SCHOOL** When a written request for transference of a student’s records to another public or private school is received by Marshall Public Schools, all records, including

disciplinary records with respect to expulsions and suspensions of the student, will be transferred within 30 days after receipt of request.

  - Coverage from the time students leave for school until they return home in the afternoon.
- This insurance is entirely voluntary and is offered only as a service to students. An insurance waiver for students participating in our formal athletic program is mandatory if the insurance offered through the school is not taken. This is handled by the Athletic Department. Students injured at school are not covered by insurance carried by the school.

**LIBRARY MEDIA CENTER (LMC)** The library media center is open to all students and staff before and after school. We welcome students throughout the day with a pass from the students' teachers, as well as during seminar and lunch.

**NATIONAL HONOR SOCIETY** The four criteria used in selecting students to become members of the National Honor Society are scholarship, leadership, service, and character.

**Scholarship:** The student must be a sophomore or junior with a cumulative grade point average of 3.75. Students who have achieved this level of academic success will receive an invitation to complete the information packet necessary to earn membership.

**Leadership:** The student who exhibits leadership skills:

- Successfully holds school offices or positions of responsibility.
- Conducts business effectively and efficiently both at school and at community activities.
- Demonstrates reliability and dependability in any responsibility accepted at school or community activities.
- Serves as a leader in the classroom, at work, and in other school and/or community activities.
- Delegate responsibility when appropriate.

To verify the student's leadership ability, he/she must provide a stamped, addressed envelope to an adult sponsor who will complete the provided leadership recommendation form evaluating the student's leadership skills and mail it to the National Honor Society advisor.

**Service:** The student who serves:

- Volunteers and provides dependable and well-organized assistance, is gladly available, and is willing to sacrifice to offer assistance.
- Works well with others and is willing to take on difficult or inconspicuous responsibilities.
- Does committee work without complaint.
- Participates in some activity outside of school, such as Girl Scouts, church groups, volunteer services for the elderly, poor or disadvantaged.
- Shows courtesy by assisting visitors, teachers, and students.

Sophomores, and juniors must have performed a collective amount of service activities, respectively 20 and 30 service hours, during their high school career. An adult must verify the number of service hours completed by signing the student's information sheet. If accepted for membership, the student must continue to do individual and group service projects to maintain membership.

**Character:** A student of character:

- Demonstrates respect, responsibility, trustworthiness, fairness, caring, and citizenship.
- Upholds principles of morality and ethics.
- Demonstrates the highest standards of honesty and reliability.
- Manifests truthfulness in acknowledging obedience to rules, avoids plagiarism and cheating in written work, and shows unwillingness to profit from the mistakes of others.
- Complies with school regulations concerning property, programs, office, etc.
- Consistently exemplifies desirable qualities of behavior (friendliness, cheerfulness, etc.).

Each invited student must provide the National Honor Society sponsor with character evaluation letters written by teachers who have worked with the student.

NHS Selection When the information packets have been received, a Faculty Council composed of five teachers and the NHS advisor meets to vote on membership. The NHS advisor is not a voting member of the council. Copies of the student information form and the evaluation letters are given to each member of the council. After reading the information and reviewing and discussing each student, the Faculty Council members vote on the membership request of each student, with a majority vote (3) granting membership. If a student is not granted membership, the student and parents will be notified and the area of weakness will be disclosed. This enables sophomores who do not receive membership a chance to prepare for membership the following year. Those who are chosen for membership will be notified by mail.

NHS Discipline Procedure As a member of NHS, the student must uphold the ideals of the group. A student is never automatically dismissed from the chapter. If there is a problem, a hearing will be held to allow the student a chance to meet with the Faculty Council to discuss the problem and its consequences. The student may choose to have his/her parents present at the meeting, but parents are not invited to speak. After the student has presented his/her case, the Faculty Council will vote for or against the dismissal. The student and parents will receive written communication as to the outcome of the vote. The student may be issued a warning and/or probation or be dismissed from the National Honor Society.

Therefore, if any of the following situations occur, the student and parents will be notified and the appropriate action will be taken.

- Cumulative GPA drops below the Marshall NHS Chapter’s standard of 3.75 – The student will be put on probation for a semester and the parents informed. If during the probationary period the GPA does not improve, a hearing will be scheduled.
- Any documented incident of academic dishonesty (i.e. cheating, plagiarism, etc.) in- or out-of-school suspension, or any other violation of school policy.  
The student and parents will be notified of the incident, and a hearing will be scheduled.
- Any civil or criminal infraction where the student is found guilty.  
A hearing will be scheduled with the student and parents.

**ACADEMIC LETTER** Students who earn a 3.5 or better GPA for the school year will be awarded an academic letter. Students who earn this distinction in subsequent years will be awarded a pin for their letter.

**WORK PERMITS** Michigan law controls what type of work can be done by young people under eighteen (18) years of age. The type of work, the amount of weight that is allowed to be lifted, the number of hours worked per day and week, as well as the type of business establishment allowed for employment are all controlled. The school acts as an official agent in helping students obtain a work permit. Students may get applications for work permits in the guidance office. Since the student and the prospective employer must fill out the forms, it is usually impossible for a student to complete the required work in one day. Proof of age will be required. If a student changes jobs, a new work permit listing the new employer must be obtained. The school has the right to revoke the work permit if it deems the student’s schoolwork is being adversely affected or if it is apparent that the job has been misrepresented.

## **STUDENT CODE OF CONDUCT**

STUDENTS ARE EXPECTED TO BE RESPECTFUL AT ALL TIMES. Faculty and staff at Marshall High School receive administrative support in the matter of discipline, whether in the classroom, around the building or at school activities. Teachers are expected to maintain good discipline and may use all reasonable methods to achieve it. Faculty and staff have the responsibility of requiring correct conduct from all students.

**To ensure a climate for learning, the following rules and procedures are in effect at Marshall High School:**

### **ASSAULTS AGAINST STAFF AND STUDENTS**

- **PHYSICAL ASSAULTS:**  
The Board shall permanently expel a student in grade six or above if the student commits a physical assault, as defined by MCL 380.1311a(12)(B), against a district employee or against a person engaged as a volunteer or contractor for the district on school property, on a school bus or other school related vehicle, or at a school-sponsored activity or event. The Board may modify the expulsion period on a case-by-case basis. For the purpose of this policy, “verbal assault” shall be defined as “...any willful verbal/written threat to inflict injury upon another person, under such circumstances which create a reasonable fear of imminent injury, coupled with an apparent ability to inflict injury.

▪ **VERBAL THREATS COMMITTED AGAINST OTHER STUDENTS**

Reinstatement – The parent or legal guardian of a permanently expelled student, or an emancipated permanently expelled student may petition the Board for reinstatement. The Board will provide all due process rights to reinstatement as outlined in state law.

Application to Student with Disabilities – This policy shall be applied in a manner consistent with the rights secured under federal and state law to students who are determined to be eligible for special education programs and services.

Implementation – The student handbook/code of conduct shall specify procedures for dealing with expulsions authorized by this policy. Regulations ensuring due process to all students before an expulsion is imposed shall be included therein as well.

The regulations shall include procedures for reporting violations of this policy to the Board, procedures for referring permanently expelled students to appropriate Family Independence Agencies or County Community Health Agencies and specifics for the reinstatement of students.

**ATTENDANCE** - State law requires daily attendance of all students enrolled in Michigan Public Schools. Students must attend regularly scheduled classes unless officially excused. When students arrive at school they are considered in attendance and must attend their scheduled classes.

**HIGH SCHOOL ATTENDANCE POLICY**

Student achievement is directly related to consistent school attendance. Each day of school is unique and important academically and socially. It is well established that students with good attendance records generally achieve higher grades, enjoy school more, are consistently employable, and generally are better prepared to meet the challenges of our complex society. In accordance with state law each student’s achievement is made a matter of record and is permanently placed on each student’s transcript. Employers and institutions of higher education often consider this record of equal importance with academic grades. Good attendance at work is expected and rewarded in the adult world and is desired objective to be attained by students at Marshall High School.

**STUDENT RESPONSIBILITIES**

- It is the student’s responsibility to be in class, on time and prepared.
- When absent, students are required to request make-up work at appropriate times. (i.e. seminar, before and after class, etc.) Students are required to complete work in accordance to the MHS handbook.
- It is the student’s responsibility to verify that an absence has been excused.
- It is the responsibility of students who are 10 or more minutes late for class to get an admit slip from the main office before going to class.

**PARENT/GUARDIAN RESPONSIBILITIES**

- The Michigan School Code states that it is the responsibility of parents/guardians to see that their children between the ages of six (6) and eighteen (18) are in regular attendance to school.
- Parent/Guardians are responsible to report attendance in the following way:

**ABSENCE REPORTING PROCEDURE:**

- Parents/Guardians may send a note to the attendance office or may call the main office to report an absence 24 hours a day at 781-1313. An absence will be considered unexcused if the attendance office has not received a call or a note from the parent/guardian before 12:00 noon of the day following the absence. The attendance office may verify written and telephoned explanations.
- It is the parents/guardian’s responsibility to make sure that the student is on time and present in school.

**KINDS OF ABSENCE**

There are many different reasons for absences and we will designate these absences as they are submitted. The following lists define Valid and Invalid reasons for absences as defined by the State of Michigan:

<u>Valid/Lawful School Absences</u>	<u>Invalid/Unlawful School Absences</u>
• Illness with doctor’s excuse	• Overslept/Too Tired
• Doctor’s appt. with doctor’s excuse/slip	• Missed bus or suspended from bus

• Extreme Family emergencies	• Needed student to help at home
• Funeral • Vacation (w/2 week prior approval)	• Weather

**DEFINITION OF ABSENCE:**

When a student misses ten (10) minutes or more of any class, he or she is considered absent for the period. The teacher may use discretion in the final determination.

**EXPLAINED ABSENCE:**

Explained absences are absences that are explained by the parent so that the school knows where the student is. Explained absences differ from excused absences for legal reasons. An explained absence can become excused when proper legal documentation is provided.

**EXCUSED ABSENCE:**

Excused absences are those absences which are explained by the parent with proper legal documentation provided to the MHS office such as a doctor’s excuse or funeral notice. Legally emancipated minors, completely self-supporting eighteen-year old students living alone and eighteen year old students with parental permission may report their own absences to the attendance office according to established procedures but documentation is still necessary to excuse an absence. Permission to do so can be revoked. In addition to the valid school absences listed above, excused absences may also include the following:

- Illness. The student may be asked to submit a note obtained from a doctor when a total of three (3) days accumulated absence has been reached-
- Death in the immediate family
- School-sponsored activity or field trip. Absences from class due to school related functions such as field trips, athletic events, performances, etc. will be counted as “non-chargeable” absences. In

addition, senior students will be allowed two (2) school days for college visitations as school sponsored absences. While there will be a twelve (12) hour limit for these absences, additional hours may be granted with an administrator's approval.

- Permit to leave school. Must be approved by parent and school administrator.
- Conference with counselor or administrator.
- Approved family vacations. Request forms for family vacations must be completed through the high school office at least two (2) weeks in advance of the vacation. The parent will have the opportunity to study the recommendations prior to the final signing of the request. Vacations, other than pre-approved family vacations, are unexcused.
- Any absence not mentioned above which is deemed necessary and mutually agreed to be excused by the parent and administrator.

#### **UNEXCUSED ABSENCES:**

- Unexcused absences are those absences which are not covered by the excused absence list and/or those deemed unexcused by the administrator.
- When a student has received five (5) unexcused absences in a class, the parent will be notified.
- Any unexcused absences may result in detention, in-school suspension, Saturday School, progressive out-of-school suspension, and/or expulsion.

#### **PROCESS FOR APPEAL OF AN UNEXCUSED ABSENCE**

If the student and/or parents wish to appeal any unexcused/unexplained absence, they must contact the office to request the appeal within three (3) school days of the date of the absence. To appeal the decision of the Assistant Principal, the student and/or parents shall contact the office and request an appointment within three (3) school days of the Assistant Principal's decision.

#### **MAKING UP WORK MISSED DURING ABSENCES**

**EXCUSED/EXPLAINED ABSENCES** – An opportunity for make-up work will be provided within the framework and guidelines set forth by the instructor. It is the student's responsibility to contact the teacher about making up work missed during an excused absence. Students will have one (1) day to make up work for each day missed.

**UNEXCUSED ABSENCES**- A student will receive a zero for all daily work (work done in class on the specific day of the absence) in all classes for unexcused absences.

#### **TARDINESS**

- Students are tardy to a class when they have missed less than ten (10) minutes of a class period.
- Tardiness due to a late bus is non-chargeable.

With permission from the parents or guardian and approval of the administration, all students leaving the building during the school day will sign out through the main office and sign back in upon returning. Parent/Guardian may be required to enter the building to sign out the student leaving the building without the permission of the parents or guardian and the attendance office will result in an unexcused absence and disciplinary action.

**LEAVING THE BUILDING (ILLNESS)** Any student who becomes ill during the school day must report to the attendance office. School personnel will contact the parent/guardian before the student leaves the building.

**TRUANCY** Students will be allowed no more than 10 days absent during the school year. When students exceed 10 days absence they may receive a short-term suspension from school until parents and student meet with the Principal or designee to develop an educational plan. Cell phones and other electronic devices may be used in the classroom, only with the permission of the teacher and under the direct guidance of the teacher as it pertains to the lesson being taught. The unauthorized use of a cell phone or any other electronic device to film, record, take pictures, etc. of any student or staff member is prohibited. **Use of any electronic device in locker rooms or changing areas is strictly prohibited.** Possessing, taking, disseminating, transferring or sharing nude, obscene, pornographic, lewd or otherwise illegal images, whether by electronic data transfers or otherwise, (texting, sexting, emailing, etc.) is prohibited and may constitute a crime under state and/or federal law. Any student found guilty of such an offense will be subject to disciplinary consequences under this Code of Conduct and will be reported to the appropriate law enforcement agency. Students are not permitted to access or communicate via social networking sites (Facebook, Twitter, etc.) at any time during the school day. Unauthorized and/or inappropriate use of a cell phone or any other electronic device will result in confiscation by staff and will result in the consequences listed below. Failure to turn over a device when asked by a staff member will be considered insubordination.

First offense: phone is confiscated by staff member, **phones will be returned to students after school hours on the day confiscated.**

Second offense: phone is confiscated by staff member, **phone will only be returned to a parent, parents must come into the school to retrieve the phone.**

## **CHEATING/PLAGIARISM**

Cheating/plagiarism in the learning environment means taking or helping someone to take unearned credit for school work. Examples of cheating/plagiarism include but not limited to:

- Copying another student's answers or work.
- Using unauthorized notes on tests and/or quizzes.

A parent will be allowed to take their student to lunch only if that parent comes into the school building to sign their student out during the lunch period and escorts their student from the building. Students leaving campus will be subject to

consequences by administration. All students are to remain seated until the bell rings for dismissal. During lunch periods, access to the cafeteria is limited to staff and students only.

**PERSONAL LISTENING DEVICES** Media devices: students may use these, at the teacher's discretion. 5. School buses will not be scheduled to travel or stop on private roads.
6. Marshall Public Schools does not have to furnish bus transportation to any student. It is a privilege to ride the school bus. Students do not have to ride the bus on any given day (due to fog, snow, ice, etc.) but, if school is in session, it is up to the parent or guardian to get them to school.
7. Pick up and drop off at a student's baby-sitter's house will only be made when the residence is on a regularly scheduled bus route and when possible within the school's guidelines.

10. There is an automatic suspension from riding the bus for fighting, tobacco use (smoking, chewing, vaping, etc.), and the throwing of any item from inside the bus. The suspension will be up to five days.

11. Bus students are to be standing at their bus stop waiting for the bus if they are riding. Please allow five minutes either way of your scheduled time for the bus to arrive.

The following are the rules and regulations for Marshall Public Schools:

- Students shall comply promptly with suggestions of bus drivers.
- When necessary, students will sit three in a seat.

  - Persons other than regular student riders or district employees are not allowed on a bus without prior permission from the transportation office.
  - Failure to obey any of the above regulations may result in suspension of the student's bus riding privileges.

### **SEXUAL HARASSMENT**

*DEFINITION: Sexual Harassment is making unwelcome sexual advances, engaging in improper physical contact, making improper sexual comments, and otherwise creating an intimidating, hostile, or offensive educational learning environment.*

Sexual harassment of students by other students or by employees of the Marshall School District is unlawful under both Michigan and federal law and is contrary to the commitment of this district to provide a stable learning environment. Marshall Public Schools will not tolerate any sexual harassment of students. It is the policy of this school district that all contact between students, teachers, other adult employees of this district, and persons engaged as volunteers or contractors for the district be in keeping with respect for the individual student, be of a nature which does not make the student feel uncomfortable, and be conducive to creating a stable learning environment.

If a student has concerns about the nature of any conduct or physical contact by an adult employee of this district or by another student, the student should immediately report this concern to the student's principal or counselor, as well as discussing this concern with the student's parent or guardian.

Students are encouraged to report any conduct or contact that makes them feel uncomfortable, is bothersome, or is contrary to a stable learning environment.

All such reports will be investigated immediately by the district. Anyone found to have violated this policy will be subject to disciplinary action up to and including expulsion from school if a student, or termination from employment if an employee.

The right to confidentiality, both of the complainant and of the accused will be respected consistent with the district's legal obligations and the necessity to investigate allegations of misconduct. It should be understood that the district is required by law to report suspected cases of child abuse to the Department of Social Services.

**SKATEBOARDS/ROLLERBLADES** - Because of Marshall Public Schools' concern about the safety and welfare of students on school grounds, skateboarding/rollerblading will not be allowed.

Look alike and uncontrolled substances, including non-alcoholic beer, possessed, used or sold on school property or at a school sponsored event are in violation of school policy. Over the counter remedies such as NyQuil must be delivered to the attendance office or to the school nurse accompanied by a note from the parent or guardian giving permission and directions to administer. **WEAPONS (WEAPON FREE SCHOOL)**

The Marshall Public School District has been designated as a “Weapon Free School Zone.”

The Board of Education of Marshall Public Schools, as mandated by state and federal laws, has instructed building level principals to issue the following information to all parents and guardians of school-age students.

The Board of Education of Marshall Public Schools (or the Superintendent, a Principal, or other District official as may be designated by the Board) shall expel a pupil from attending school in the School District for a minimum of one (1) full year if the pupil possesses a weapon\* in a weapon-free school zone. Such expulsion is mandatory, unless the pupil establishes, in a clear and convincing manner, at least one of the following:

- The object or instrument possessed by the pupil was not possessed for use as a weapon or for direct or indirect delivery to another person for use as a weapon.
- The weapon was not knowingly possessed by the pupil.
- The pupil did not know or have reason to know that the object or the instrument possessed by the pupil constituted a weapon or a dangerous weapon.
- The weapon was possessed by the pupil at the suggestion, request, or direction of, or with the express permission of school or police authorities.

“Weapon” or “dangerous weapon” includes but are not limited to: a firearm: gun/revolver, air soft gun/rifle; pistol; dagger, dirk; stiletto; knife, pocket knife opened by a mechanical device; or objects possessed that could cause bodily harm. Examples: steel spheres, clubs, chains, iron bars, brass knuckles, etc. Furthermore, “firearm” means (A) a weapon, including a starter gun, which will or is designed to or may readily be converted to expel a projectile by an explosive, or by gas or air; (B) the frame or receiver of any

such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device including explosives, incendiaries, poison gas, or any weapon which will or may readily be converted to expel a projectile by the action of an explosive or other propellant. For the purposes of application and enforcement of this policy, a BB gun is considered to be a "Firearm". Additionally, if an appeal is desired, forms for a petition for reinstatement will be available in the Marshall Public Schools Administrative Offices.

### **DISCIPLINE CODE**

A committee of students, teachers, administrators, parents, and a school board representative wrote the following disciplinary code. It was adopted by the board of education as a policy of the Marshall School District.

### **COOPERATING WITH LAW ENFORCEMENT OFFICIALS**

It shall be the policy of the Marshall School District that a reasonably cooperative effort be maintained between the school administration and law enforcement agencies. Law enforcement officials may be summoned to conduct an investigation of alleged criminal conduct on the school premises or during a school-sponsored activity or to maintain the educational environment. They may also be summoned to maintain or restore order when the presence of such officers is necessary to prevent injury to persons or property.

Administrators have the responsibility and the authority to determine when the assistance of law enforcement officers is necessary within their respective jurisdictions. The school district's administrators shall at all times act in a manner that protects and guarantees the rights of students and parents.

There may be an employee/police officer on-site during different periods of the school day. This person's duties will include:

- Checking for improperly parked cars and authorizing removal of improperly parked cars at the owner's expense.
- Checking passes of students leaving school.
- Enforcement of handbook policies as they relate to student behavior on school property.
- Aiding the principals when asked in search and seizure activities of a student's person or personal property.

**DUE PROCESS** An individual's right to due process is protected by law. If a concern should arise in regard to a certain discipline action taken by the school, the individual is afforded an opportunity to have this discipline action reviewed in light of due process.

U.S. Supreme Court has ruled that a student's due process rights are met if:

- The student was told of the charges against him/her;
- The student had the opportunity to respond to the charges; and
- The disciplinary action is based on the appropriateness of the sanction imposed by a discipline authority.

An appeal hearing is granted only if a student/parent/guardian believes the disciplinary action taken was inconsistent with what is expressed in this handbook. Appeals are heard when there is a disagreement concerning the correct application of rules and regulations set forth in this handbook. The judgment of a teacher or administrator regarding whether a student did or did not commit the action in question is not subject to appeal. The right to appeal should follow the appropriate chain of command beginning with the teacher, assistant principal, principal and finally the superintendent.

**SEARCH AND SEIZURE** To maintain order and discipline in the schools and to protect the safety and welfare of students and school personnel, school authorities may search students, student lockers and student automobiles under the circumstances outlined below and may seize any illegal, unauthorized or contraband materials discovered in the search. A student's failure to permit searches and seizures as

provided in this policy will be considered grounds for disciplinary action. A student's person and/or personal effects (e.g. purse, book bag, athletic bag, etc.) may be searched whenever a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials.

Student lockers and desks are school property and remain at all times under the control of the school; however, students are expected to assume full responsibility for the security of their lockers and desks. Students should not expect privacy regarding items placed in school property because school property is subject to search at any time by school officials. School authorities may conduct periodic general inspection of lockers and desks for any reason, at any time, without notice, without student consent and without a search warrant.

Students are permitted to park on school premises as a matter of privilege, not of right. The school district retains authority to conduct routine patrols of the student parking lot and inspections of the exterior of student automobiles on school property. The interiors of student vehicles may be inspected whenever a school authority has reasonable suspicion to believe that illegal or unauthorized materials are contained inside. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.

If a properly conducted search yields illegal or contraband materials, such findings will be turned over to proper legal authorities for ultimate disposition.

**REMAINING AFTER SCHOOL** Students remaining after school for extra-curricular, sports, or otherwise are to be under the direct supervision of an adult or they are to be in an area designated by administration. Violation of this policy could result in disciplinary action.

Any teacher or school official has the right to detain a student after the regular school day for disciplinary purposes. Students that fail to stay after school when directed to do so by the classroom teacher will face disciplinary action. Detention after school may be delayed to allow the student to make arrangements for fulfilling the detention assignment.

**SUSPENSIONS** Suspension is the exclusion of a student from a class or classes for a period of from one (1) to ten (10) days for a violation of the rules contained in this handbook. A school administrator will take action utilizing the Suspension Procedure.

School administrators are authorized by the Board of Education to suspend a student for committing a violation of the student handbook. However, suspensions and expulsions for longer than ten (10) student attendance days may be imposed only by action of the Board of Education.

In recognition of the negative impact on a student's education, we view suspensions, particularly those over ten (10) days, and permanent expulsions as discipline of last resort; except where these disciplines are required by law (Policy 5610.01). We will utilize restorative practices in addition to, or as an alternative to, suspension or expulsion which emphasize repairing the harm to the victim and school community caused by the student's misconduct. Restorative practices may include victim-offender conferences that are initiated by the victim, are approved by the victim's parent or legal guardian (or if the victim is at least fifteen 15, by the victim), are attended voluntarily by the victim and supporters of the victim and offender, and would provide an opportunity for the offender to accept personal responsibility for the harm caused to those affected and to participate in the setting of consequences to repair the harm. The selected consequences and time limits for their completion will be incorporated into an agreement signed by all conference participants.

A teacher is authorized to immediately remove and suspend a student from a class, subject, or activity when the student's behavior is so unruly, disruptive, or abusive that it materially interferes with the ability of other students to learn.

- Any student suspended pursuant to this policy shall not be allowed to return to the class, subject, or activity from which he or she was suspended until the passage of one full school day from the time of the student’s infraction unless otherwise permitted by the teacher who orders the suspension.
- Students attending separate class periods throughout the school day shall be permitted during the term of the suspension to attend other classes in the school building for the balance of that school day (unless the suspension is extended for a longer period of time by a building administrator).
  - Any student suspended from the same class, subject, or activity for ten accumulative or consecutive school days during the school year shall be given a formal procedural Board hearing for each additional suspension beyond the tenth day in accordance with due process requirements required by Board Policy for suspension of ten days or more.

### **SUSPENSION PROCEDURES**

Suspension days and classroom dismissals will be counted as “non-chargeable” absences. An exception to this policy is the Calhoun Area Career Center. The CACC provides an extension to the Marshall High School curriculum. The policies established in the CACC handbook apply when a Marshall High School Student is in attendance at the CACC facility. Suspended students will be expected to make up all work missed. For make-up work procedures see item 6.

The following procedural guidelines will govern the suspension process:

1. The student shall be informed of the specific charges that could be the basis for disciplinary action to be taken.
2. The student will have the right to present the school administrator with any relevant information which will support the student’s defense.
3. If the student is suspended by the school administrator, the administrator will:
  - The parents/guardians will be notified (as soon as possible) of the suspension, in writing and if possible orally. The reasons for the suspension and the steps necessary to effect the student’s return shall be given to the parents/guardians, student, and teachers.
  - Meet with the parents or guardian and the student to plan the satisfactory return of the student to the school setting.
4. If the parent or guardian is in disagreement with the disciplinary action, see the due process section of this handbook for appeal process.
5. All correspondence regarding out of school suspension will be sent to the parent or guardian by certified mail.
6. Homework will be provided and credit will be given for all work if it is turned in within two (2) days of the student’s return to class. Homework assignments may be obtained by calling the attendance office. Teachers will be given twenty-four (24) hours to prepare the assignments after which a parent may pick up the assignments at the attendance office between the hours of 7:30a.m. and 3:00p.m. When necessary, suspended students who have made prior arrangements may pick up their assignments.
7. Suspensions that are not of mandated length may be progressive per similar occurrence, up to and including expulsion.
8. Suspensions are accumulated on a per year basis
9. Students on out-of-school suspension are ineligible to participate or attend any extra-curricular activities during the suspension.
10. Suspensions interrupted by snow days, vacations, breaks in school calendar, excused or unexcused absences, bereavement, etc. do not count as days served.

### **IN-SCHOOL SUSPENSION REGULATIONS**

In-school suspension is an alternative to out-of-school suspension. Students in violation of major handbook rules will not be offered ISS as an alternative to suspension. Major handbook rules are designated as criminal acts, fighting, substance abuse/possession, pulling false alarms and vandalism.

The In-School Suspension classroom rules are as follows:

- Students will report to In-School Suspension at the start of the school day and will not be dismissed until the official end of the school day.
- Students must be working at all times on assigned work. A student may read a book or magazine only after all teacher assigned work is completed and handed in to the ISS Supervisor.
- Students must bring all needed books and materials in the morning.
- Students must stay in their assigned seats.
- Students may only talk if given permission by the ISS Supervisor.
- Students will be allowed no visitors while in ISS.
- Students who do not have teacher-assigned work to do may be assigned work by the ISS Supervisor. This work must be completed and turned into the ISS Supervisor by the end of the school day.
- Students will have an opportunity to purchase lunch in the cafeteria.
- Students are not permitted to sleep.
- Students are not permitted to use individual listening or viewing devices unless they are needed to complete teacher assigned work.
- Students are not allowed to eat or drink except during the designated lunch period.
- Students are not permitted to leave the room without permission from the ISS Supervisor.
- Students who are given a discipline referral for violating any of the above rules will be given an out of school suspension for the remainder of the day. Students will then be required to return to ISS (upon their first day back at school) to serve a full day of ISS for the day they were suspended. No time in the ISS room is counted on a day the student is given out of school suspension for violating the rules of the ISS room.

In order to be released from In School Suspension three (3) criteria must be met. These include:

1. Serve the amount of time assigned to the ISS room (out of school suspension time does not count toward time assigned to ISS).
2. Complete all work assigned by the classroom teachers and hand it in to the ISS Supervisor at the end of the school day and / or have remained on task all day.
3. Follow all of the ISS classroom rules and complete the ISS curriculum.

### **SATURDAY DETENTION**

Saturday detentions may be assigned at the discretion of the administration for students violating the student code of conduct. The following rules and regulations apply to Saturday detention:

- Meet at the doors outside the main office off of the teacher's parking lot.
- DO NOT BE LATE. You need to be here before 8:00AM.
- If you arrive after 8:00AM, you may not enter Saturday detention.
- If you arrive late or do not show, the following week you will receive a day of ISS. Each time you miss Saturday detention, a day of ISS is added. You will need to make up your Saturday detention on the next available Saturday.
- Please bring homework or a book.
- The rules for ISS apply to Saturday detention.
- If you fail to follow the rules of Saturday Detention, you will be asked to leave. You will then be given ISS and will have to make up your Saturday Detention on the next available Saturday.
- You may not leave Saturday detention until excused by the staff member in charge. You must leave through the same doors you entered in the morning.
- Saturday detention hours are from 8am -12pm.

### **EXPULSIONS**

Expulsion -- The exclusion of a student from classes for the balance of a semester, a school year, or permanently for violation of the rules contained in this handbook rests solely with the Board of Education. Recommendations for expulsion will follow the expulsion procedures:

The following procedural guidelines will govern the expulsion process:

1. Written notice of charges against a student shall be supplied to the student and his/her parent or guardian. Included within the notice shall be a statement of the time and place for the hearing and that time shall be reasonable for all parties involved.
2. It is recommended that a parent or guardian be present for the expulsion hearing.
3. The student, parent or guardian may be represented by legal counsel.
4. The student shall be given an opportunity to present evidence. The student should be allowed to offer the testimony of other witnesses who may present evidence.
5. The student shall be allowed to observe all evidence produced. In addition, the student shall be allowed to question any witness.
6. The hearing shall be conducted by the Board of Education who shall make its determination solely on the evidence presented at the hearing.
7. A record shall be kept of the hearing.
8. The Board of Education shall state within a reasonable time after the hearing its findings as to whether or not the student charged is guilty of the conduct charges and its decision as to expulsion.
9. The findings of the hearing authority shall be put in writing and sent to the student and the student's parent/guardian.
10. The student and parents/guardian shall be made aware of their right to appeal the decision of the hearing authority to the appropriate appellate authority.
11. All correspondence regarding expulsion will be sent to the parent or guardian by certified mail.
12. Expelled students shall not participate or attend MHS extra-curricular activities on campus or away from campus where MHS teams/students are participating.

**DISCLAIMER** School rules published in this handbook are subject to such changes as may be needed to insure continued compliance with federal, state or local regulations and are subject to such review and alteration as becomes necessary for the routine operation of the school. Not all rules of behavior can be written and inserted in a guidebook; however, we expect students to follow reasonable rules and not violate the rights of others.
