

Marshall Public Schools
Board of Education District Goals for 2009-10

(adopted 11-23-09)

1. Improve literacy skills in reading and writing across the curriculum
2. Increase student achievement through the Learning Design Model
3. Improve student learning and teacher pedagogy in mathematics
4. Improve, update and maintain district facilities to provide best possible learning environment for all students
5. Engage the community, staff, families, students, elected officials and other stakeholders in supporting our schools and improving educational outcomes
6. Provide prudent stewardship of district's financial resources to best support student success, educational equity and choice within available resources
7. Improve the health, safety and well-being of all students
