## Parent / Teacher Conferences

Conferences are taking place the week of October 21st. This is an important time for parents and teachers to meet and discuss each child. Marking period grades will be shared as well as data gathered regarding milestones in reading, math, writing, science, and social studies. Make sure to communicate with your child's Specials teachers as well. They are always eager to share information regarding your student's performance. For those of you that are unable to schedule a conference, please make sure to look in Friday Folders for report cards.
