End-of-the-Year Assessments

During the month of May, we will be administering several end-of-the-year assessments. It is important that your child be present when the tests are given. Please make an effort to schedule any appointments for your child **after** the end of our school day. Having children leave early or come to school late, is very disruptive to the classroom environment.

CU In School

We would like to thank all of our students who participated in CU In School during this school year. Our final deposit day will be Friday, May 18th. We are looking forward to seeing everyone at the Awards Assembly on Wednesday, June 6th! Be sure to look for our parent survey that will be coming home with your child at the end of this month.

Our Character Education theme for May is :

A celebration of great character!

Teacher Appreciation

All of us at Gordon School would like to say a special thank-you to our very thoughtful PCO! We were served a delicious breakfast of homemade goodies this past Tuesday morning. It was a wonderful way to start Teacher Appreciation Day!

Mother's Day

We would like to thank Katrina Asselin and her volunteers for helping our children to make wonderful Mother's Day gifts this week. We are sure that all of our Mom's will love their gifts! A big thank-you goes to our PCO for providing us with the materials to make the special presents!

100 Lap Club

Let's win back the 100 Lap Club trophy! Mrs. Schultz (our physical education teacher) has designated running areas for our students to utilize for laps on our playground. We are running/jogging at lunch time, at recess, during physical education class, and when we are home, so we can be ready to take on the Hospitality Classic on Saturday, May 19th! We encourage parents to join their children as they acquire their laps.

Have a wonderful weekend!
