As a service to our parents, we have several informational items available on the table outside our office. Currently you can find information on: The Rink, YMCA Summer Camp, Olivet College Boys and Girls Camp, and the Marshall Rec Department Summer offerings. Please visit this table for more information.

iPads in the Classroom

With the help from the Success Fund, our 5th and 6th grade students will have classroom sets of iPads in their rooms next year. This summer, teachers will be trained on using educational applications and the iPads to increase and improve the learning experience for our fifth and sixth graders. On June 5 at 6:30pm, we invite all parents of our fifth and sixth graders to the Middle School Auditorium for a Meet and Greet to gain more information on how this technology will be used in your child's classroom!

FIELD DAY VOLUNTEERS

Hughes needs you! Field Day is Monday, June 4 in the morning. We will be wrapping up about noon. We need a lot of parents to make this a successful and fun field day for our kids! Students are grouped K-2 and 3-5. If you have students in both lower el and upper el, we will be sure to place you into two stations so you can be with both of your students at some point during the day! Please email Chad Wager at cwager@marshall.k12.mi.us to indicate your interest!

Parents: We hope to add Hughes Elementary School as a site to host the Girls On The Run Program next school year! Girls On The Run is an eleven-week after school program for girls between grades 3 and 5. It is a volunteer-led program for preteen girls that weaves training for a 5K run with fun lessons that improve self-awareness, self-respect, assertiveness, good character, and healthy living. The responsibility for parent volunteers involves a 1-day training in January of next year as well as helping to conduct the program with the girls. The eleven week program meets 3 hours per week. The final event is the 5K Run at Binder Park Zoo with the other Girls On The Run chapters in Calhoun County. If you are interested in potentially being an assistant coach, please contact Kara Malone at malone64@comcast.net. Thank You!
