

School Annual Education Report (AER) Cover Letter

August 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for Walters Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Paul Holbrook, principal at Walters Elementary School for assistance.

The AER is available for you to review electronically by visiting the following web site www.marshall.k12.mi.us and click on the Walters link, or you may review a copy from our office at Walters Elementary School.

For 2010-2011, Walters Elementary made Adequate Yearly Progress (AYP) in English Language Arts and mathematics and earned an A (the highest grade possible) on our Education Yes report card. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report additional information.

1. **Assigning pupils to school:** The process we utilize for assigning pupils to our school revolves around the concept of neighbor school boundaries as much as possible. We also place a strong emphasis on balancing our class sizes, in order to maintain equity and an optimal learning environment.
2. **School Improvement Plan:** Our School Improvement Plan is a working document that drives our quest to continuously review, analyze, and adapt our instruction and curriculum to meet the ever-changing needs of our students. Our School Improvement Plan is utilized as a framework or map that drives our curricular expectations and instructional practices.
3. **Specialized Schools:** Currently, we do not provide a "specialized" school at our level, as we provide a positive and appropriate learning environment for all of our students.
4. **Core Curriculum:** Our core curriculum documents are available for review within each of our classrooms and our principal's office (as per subject and/or grade level). Grade Level and Content Expectations for all grade levels are also available for review on the www.michigan.gov/mde website. We

continually review and refine our core curriculum documentation and instructional practices utilizing professional staff input committees. These committees bring forth any proposed curriculum changes to our Curriculum Council for review and possible approval. Curriculum Council recommendations then go before our school district Board of Education for approval. With Board approval, professional development (if needed) takes place for all pertinent staff members. Implementation within the classroom setting is supported, analyzed, and evaluated by grade-level teacher and administrative teams.

5. **Student Achievement:** We are proud of our student achievement results on both the Michigan Education Assessment Program assessment and our grade-level core curriculum (math, language arts, social studies and science) assessments. 90% of our students are at, or above grade level on all our district assessments. 98.6% of our third grade students and 95.8% of our fourth grade students are proficient or advanced on the math portion of the MEAP, while 90.3% of our third grade and fourth grade students are proficient or advanced on the English language arts portion of the MEAP. Documentation as to our MEAP results can be reviewed within this report.
6. **Parent/Teacher Conferences:** 100% of our students are represented by one or both parents during our fall and spring Parent/Teacher Conference opportunities.

The staff and parents are very proud of the achievements of our students at Walters Elementary School. We work collaboratively to ensure that all children experience a positive, caring, and rigorous learning environment. We are fortunate to have many volunteers support our school. Volunteers spend over 600 hours a month working in our classrooms. We believe that all children will find success and learn in our school. We are committed to helping all children feel safe and we work diligently to help our students connect with staff and other children. At all levels we celebrate small steps and special accomplishments whether they are academic, social, athletic, or extra-curricular as our children continue their journey of quality education within the Marshall Public Schools.

Sincerely,

Mr. Paul Holbrook
Walters Elementary Principal
